RE: Physician's and Surgeon's Certificate Number G-73155
Medical Board of California Case Number 20-2007-186441

Public Reprimand

On September 23, 2008, the Medical Board of California (Medical Board) filed an Accusation against your Physician's and Surgeon's Certificate G73155 alleging a violation of unprofessional conduct based on your failure to comply with Citation Order Number 20-2007-186441 and failure to provide the Medical Board with certified copies of a patient's medical records within 15 days of receiving a written request. These actions are in violation of Business and Professions Code sections 2234 and 2225(d).

WHEREFORE, pursuant to Business and Professions Code sections 495 and 2227, the Medical Board of California issues this Public Reprimand.
